

THE CENTER FOR  
COGNITIVE THERAPY

**Financial Agreement**

**Fees for Psychological Evaluations**

Comprehensive Psychological Assessment	\$5,000
Autism Spectrum Testing (add-on)	+\$1,000

**Payment**

Half of the total testing fee is due at the first session (typically the clinical interview session). The second half is due at feedback session. You may pay by check, payable to the Center for Cognitive Therapy and Assessment, or in cash. We charge a \$30 processing fee for any check that is returned.

**Adjustments**

Pricing listed above may be adjusted depending on specific assessment needs. Should it become clear that additional tests are recommended, the evaluator will inform you of these recommendations, and will need your consent to any potential fee changes or additional tests.

The anticipated cost for this evaluation is \$ \_\_\_\_\_.
